## **FOOD CONTACT STATEMENT: Industrial Films**

Industrial Films supplied by WP Innova are not intended nor approved for direct food contact. As a result, WP Innova is not able to supply the following commonly requested documents:

1. Bio-terrorism Act of 2002 policies and procedures
2. Letter of Guarantee as outlined in Title 21 of the Federal Food, Drug, and Cosmetic Act
3. Third party audit results
4. GMP policies and procedures

Although our facilities are not inspected or approved to produce food grade films, it should be noted that the materials used to produce our clear and colorless films are approved under FDA 21 CFR177.1520 direct food contact regulations, and these films are considered safe for use as a secondary or tertiary packaging component.

Please contact your WP Innova sales representative if you have additional questions.
